Notice.

Contract advertisers may change monthly. Every change must be sent in by Monday noon.

Market Street is receiving some peedful repairs at the hands of Council.

T. Total will have a place next week, too late for present issue.

Did you see our Type on Saturday afternoon last?

The scene at the depot is lively. Four engines and trains were on the turnout and track a few days since.

Now is the time to send your Cards for advertisement in the Times. Tell the public what you have to sell and they will know where to get it.

We learn that the membership of the various Granges, is rapidly increasing. There is no better school of Economy than the Grange system.

A violent storm of wind and rain prevailed in our vicinity during Friday afternoon and night. It is feared that the cotton crop will be vastly damaged.

The grape yield of this year has been unusually large. Very many of our farmers indulge with home-made wine of delicate smack from past vintages.

See notice of Steam-Engine and Saw-Mill for sale by Mr. Ayer. This is a good chance for Mill men. A fine tract of land is also offered by him.

We had the pleasure of a visit during the past week from Mr. Hacker, of the well known Firm of Geo. S. Hacker & Co. of Charleston. Messrs H. & Co. furnished the beautiful Doors and windows adorning the front of new store of Messrs. T. Kohn & Bro. and have also received the contracts for furnishing the Fair Building and Lutheran Church with Sashes, and Doors. They have given great satisfaction, both as to workmanship and prices.

L. Ransdale

Has taken the contract for the unfinished Fair building, and the Stockholders may now look with confidence to the completion of the building in time for the Fair.

To our Subscribers

We earnestly beg all who are in arrears for subscription to the "Times," to call at the "Captain's Office" (or Robinson's Book Store) to settle. It is needless to remind our subscribers that we are largely dependant on the \$2.00 per annum that

they owe us, for the support of our paper, which claims to be the organ of the Tax payers in this County, and which has neither State nor County pap to fall back upon, when its legitimate food is withheld. Look out for the X on your paper, and oblige us by settling your dues.

The Committee

On the Cotton Factory are reminded that they are to meet on Saturday next, the 27th at 12. M. at the Engine House. The adjourned meeting of the citizens will take place on Saturday next.

The Flood

Of last Friday night has caused great damage throughout the County. Several mill dams being washed almost away. We publish elsewhere the particulars of the dreadful rail-road accident, caused by the washing away of a portion of the track below Branchville.

Miss M C Evans

Announces that she has opened a school, at the residence of P. V. Dibble, for small children. Orangeburg has new schools of every grade, and offers great educational advantages to our citizens. We trust Miss Evans will meet with success in her undertaking.

T. Kohn & Bro.

Call attention to-day to a splendid stock of goods just received at their New Store. We advise everybody to go round and see the governor in the prisoner's dock and learn how things are done in the city of New York. The Messrs Kohn have really an elegant establishment.

A New And Full Stock

Is advertised to day by Messrs Moseley and Crook, the go-ahead Merchants opposite Citizens' Savings Bank. Notwithstanding the dull times of late, these gentlemen appear to be very busy, and are rapidly building up a large business.

Business

Has been brought almost to a standstill during the past few days, caused by the failure of some large banking institutions at the North. We trust this will be only temporary, and that the demand for our staple, will soon be as brisk as ever. Letters from Charleston Factors state that what demand there is, is chiefly confined to the better grades of cotton, which are bringing moderately fair prices.

J. B. O'Bettison's

Building is progressing rapidly. We noticed a small red flag flying at the front gable-end, with the proprietor's motto: "Perseverance" on it. We presume he feels like the jubilant mechanic, who called in his friends and neighbors to see what "PATIENCE, PERSEVERANCE, and a LITTLE SWEET OIL" could accomplish. Success to him, we say!

We learn that the new Council have established a night police. This is as it should be. The night police will rid the town of an intolerable nuisance, if they will put a stop to the rowdism at the depot, which is carried on by a set of half-grown boys every night. The Camanche yelling, and disgusting oaths are particularly disagreeable to passengers in waiting for the trains. An acquaintance with star and club will make the vicinity more quiet.

Genl. Wagener has the nomination by the Conservatives, for Mayor and G. J. Cunningham will run on the Republican ticket. A hard struggle is expected.

Carpenters, Pattern Makers, and Cabinet Makers,

Will take notice that P. P. Tonale, of Charleston, has on hand and for sale, White Pine of the finest grade, wholesale and retail. Also, Walnut, Oak and other hard wood.

The fall trade has now opened, and with a view to meet all its requirements. I. H. Hall & Co., Proprietors of the Great Southern Builders' Emporium, Charleston, S. C., have made at the Factories large quantities of Doors, Sashes, Blinds, &c., from fully seasoned Lumber. There immense sales enable them to offer number one work at low prices. Before

beginning your building, send for their price list and size card. They are also Agents for Asbestos' Roofing Felt and Paint. Last year millions of feet were sold for covering roofs, lining rooms, painting, &c.
